

# Terms of Acceptance

When a patient seeks chiropractic care, and when a chiropractor accepts a patient for such care, it is essential that they both be seeking the same goals.

It is not the goal in this office to treat, nor cure physical, mental, or emotional ailments; nor to diagnose or give advice about such ailments.

Our only goal and intention is to keep the body as free from vertebral subluxations as we can. We do this because of our absolute conviction that every human being functions better on all levels when no subluxations are present.

I \_\_\_\_\_ undertake chiropractic care at Healing Hands Chiropractic on the understanding of and agreement with the above explanation.
